

LUCCINI BATTING GLOVE

Printable Hand Measurement Template

Instructions:

- Print this page at 100% scale (not fit to page).
- Place your dominant hand on the outline with the first wrist crease aligned to the base line.
- If your middle fingertip reaches the edge of a size outline, that's your glove size.
- If you're in between sizes, size down for a snug fit, up for a looser fit.

First crease on your wrist, closest to your palm
